VICE PRESIDENT JUNIOR - Michael Kelly:

Last Month

- Junior EOIs are good with enough for teams in all divisions with some to be filled following the commencement of the season. 18 Boys will need a push once the footy season is finished as they currently have 7, 10 girls have 7, 12 girls have 9 and 12 boys 11. 10 boys have 17, 14 girls have 23, 14 boys have 21, 16 girls have 16, 16 boys have 14 with the 18 girls at 14. Independent head selectors will be appointed to divisions where excess trial numbers require finalisation.
- As yet no coaches for the 12 boys or 10 girls.
- New junior rep coaches gear kits purchased through Intersport via Mark with 3 balls, cones and gear bag.
- EOIs for 20s and open womens close September 12th. Currently very low numbers but the 20s will improve following junior musters and football season finals. Ben R has an EOI out currently for Mens Open. Mens 40, 50 and 60 will be done via coaches and muster.
- Senior State Cup accommodation locked in, just awaiting their new bank details to send deposit. No extra rooms available at this time.

Next Month

- Trials for all teams and selections to be finalised.

Recommendations

- That the report be received and noted.

TREASURER- Norm Headford:

Financial reports sent to committee members prior to meeting & tabled at meeting.

Profit and Loss Statement attached. Bank Balances – Total \$400,103.10

Norm also presented a report on EFTPOS transactions via the square terminal and for competition registration payments via Mysideline. There is a 1.6% surcharge on these. These should either be added to the transaction cost or payments increased to reflect that there is a surcharge payable. Agreed in principle.

There is no ability to add a surcharge via Mysideline – it needs to be factored into the registration fee. Should be no issue for the coming season as we have held registration fees at \$100 but there is now no affiliation fee payable to NSW Touch due to their individual membership fee.

Recommendation – That the report be received and noted and merchandise and bar prices be amended for the coming season to reflect the 1.6% surcharge payable for transactions via the square terminal.

COMPETITIONS DIRECTOR – Ben Robinson:

- Start date for the senior summer comp - 1 October as a Muster Round. Competition commences 8 October
- Discussion about fees for the season given the NSW Touch individual membership model. Agreed that fees are to stay the same. Additional communication to be provided to all members explaining the fee structure.
- Start date for juniors to be 10 October – first Friday of term 4.

Recommendations:

- Report be received and noted.
- Start dates for the respective senior and junior summer competitions be 1 October and 10 October.

Myself, Linc & Ben had meeting with Garry Sonda, discussed next contract and setup of Online Store (ready to go) - Ben F to discuss

In determining player levies for this year the full costs of what financial support the club is providing has been worked out – its substantial with every junior player being subsidised approx.. \$150 per player top attend tournaments. This is in addition to the discounts they get from sponsorship on uniform purchases.

Seniors is about \$50.

No meeting since last Touch meeting.

There is a proposed 6 a side summer soccer competition on a Monday night. Fields have already been booked with Council. Field size is same as our junior field. Lights to be used and they will be set up with a code

There is an issue with decisions about ground closures where the events are booked directly with Council but not part of soccer or Touch. Council saying that Sports Club, or Soccer or Touch need to make decisions and deal with anyone that wants to use the grounds. Needs clarification.

Questions asked about financial statements for Sports Club. Webby and Blake to follow up and provide a copy of latest statements.

Recommendation:

1. Report be received and noted.

Moved – Mark Cribb, 2nd Ben F that all reports be accepted and recommendations adopted. Carried.

GENERAL BUSINESS

- Scott Turner outlined an informal approach made to Blake and himself regarding a potential mixed team from Murwillumbah wanting to play at NSW State Cup. Scott has been in contact with Murwillumbah Touch representative and advised that we would be prepared to consider this but players involved would need to play in the Ballina Comp to qualify. Invited a representative to make contact with us to discuss further. No contact as yet. Scott will advise committee if any contact is received.
- Ben Franklin presented 2 merchandise proposals. Portable chairs with cooler bag underneath and Bull Sharks logo. Recommend purchase 25 as a trial and see how they go. Cost will be \$33 each to purchase and sell for \$40. Umbrellas. Design circulated. Minimum buy 100. Cost \$35 - sell \$40. Both proposals were approved – Moved Paul Bradford, seconded Mark Cribb. Carried.
- Mark Cribb advised of work done to calculate player levies and the identification of the amount of subsidy the club is providing to all rep players to participate at rep events. Seniors is approx.. \$50 - \$60 per player. Juniors is approx. \$150 - \$160 per player. These amounts are over and above any subsidy provided by sponsors which all goes towards player uniforms. The primary contributor is the financial support provided to referees and coaches for general costs and referee accommodation at each event. Still reviewing amounts of levy which will be advised in due course. For info only.
- Ground conditions – rain events. Process needs to be agreed with soccer. Insurance issues raised if we decide to play and someone gets injured. JP to work with Webby and Sports Club/Soccer and present process to next meeting.
- Ben Robinson Raised the Canteen for summer. Moved that Kelly Bond/Bondies be thanked for their excellent job last year and invited to run the canteen again for the summer junior competition on Friday nights. JP and Ben R to follow up with Kelly. Moved Ben Robinson, seconded Tony Webb. Carried.
- Lincoln Raudonikis raised sponsorship. We have more sponsors wanting to come on board but are struggling to find anywhere for them to put signage etc. Considering a fence along the concrete drain next to field 1 where we could put more signs. General view that Council is very unlikely to agree to this. Suggest that in looking at these options, also look at fencing around the car park. More formal proposal with costs to be presented at a future meeting.
- Scott Turner raised amendment to rep policy. A further addition is required to cover the situation that occurred last year where a selected player in the U10 boys made themselves unavailable for JSC at Dubbo, but wanted to stay in the team for NEJC at Coffs. Was only resolved because Northern Eagles agreed to allow an extra player for the team at NEJC. Policy to be amended to require players to commit to main event e.g. JSC, and if not committed, are only eligible to attend warm up events or NEJC if the team is not full.
- Ken – Raised field markings for summer. Council doing first markings. To be included in e-mail to be sent to Council on a number of matters?
- Matter of ground availability for summer requires answer from Council. When will they be available? Scott will include in an e-mail about a number of issues to be sent to Council.
